

## GLUTEN FREE DECLARATION

Boost Nutrition hereby declares that only rice raw materials are used in the production plant. Because rice is a 100% gluten-free product, we hereby declare that the rice does not contain gluten above 20ppm limit specified in EU Regulation 41/2009 for a gluten-free claim.

Merksem, 27 July 2016

A handwritten signature in black ink, appearing to read 'Peeters', is written over a horizontal line.
