Come and shop!

It is our pleasure to inform you that Finnish Coeliac Society is organising the Coeliac Expo for the 4th time in Tampere in May 2013. This unique and very popular event gathers gluten-free producers, importers, retailers, service producers and over 3,000 coeliac customers under the same roof.

A house full of gluten-free delicacies!

Take plenty of time to explore the stands, do some shopping and enjoy gluten-free services and products. Tampere Hall will be a true oasis for coeliacs: all café and restaurant services in the hall will be gluten-free throughout the expo. Visitors to Tampere Hall can enjoy a gluten-free lunch and drop by for a cup of coffee with delicious pastries.

The lectures will be in Finnish. For the first time, it will also be possible to follow some of Saturday's expert lectures in Swedish. For the lecture schedule, see www.keliakialiitto.fi/liitto/messut/.

Expo location

Tampere Hall is an excellent venue for an expo and lectures, right in the city centre. Tampere is only 170 km from Helsinki. For further information, see www.visittampere.fi.
